Some rambling from the AnCo² team.

Momor – Phew! The lateness of this release would be entirely my fault, a[illegible] I do deserve to be purged, but the merciful AnCo team has spared me >.<~ This would be the first chapter I've done myself (with the graceful guidance of Reddie), so it was rather exciting. Anyway, do enjoy this chapter hopefully the quality does not shame the name of ANIMECOUNCIL~

Kryss – Good work MoMor! I trust we can see momore work from you in the future! (brr, samu~)

Red – Yup yup, good job Momie! 3

Special thanks (yet again) to Flyvapnet for donating 10 bux to some poor scanlators :D
